Re: Wellman Dynamics Corporation – RCRA Facility Identification No. IAD065218737
Administrative Order on Consent (“AOC”), EPA Docket No. RCRA-07-2003-0167
Submission of RCRA Facility Investigation Workplan. Revision 2 (Final)

Dear Ms. Murrow:

As requested in your letter dated September 25, 2006 (received by Wellman Dynamics Corporation on October 2, 2006), please find two copies of the final RCRA Facility Investigation Workplan for Wellman Dynamics Corporation (Revision 2). A copy of the revised schedule is attached to this letter, and is also included in the final Workplan

In accordance with Paragraph XIV (4 and 5) of the subject AOC, please find the document certification below.

“I certify that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to evaluate the information submitted. I certify that the information contained in or accompanying this submittal is true, accurate, and complete to the best of my knowledge. As to those identified portions(s) of this submittal for which I cannot personally verify the accuracy, I certify that this submittal and all attachments were prepared in accordance with procedures designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based in my inquiry of the person or persons who manage the system, or those directly responsible for gathering the information, or the immediate supervisor of such person(s), the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.”

Signature: _____

Name: David Leitten

Title: President

Date: 10/25/06

Please feel free to call me (641-782-8521, ext. 206) if you have any questions or if you would like to discuss this further.

Sincerely,

A handwritten signature in black ink that reads "Joe Haller". The signature is written in a cursive, slightly slanted style.

Joe Haller
Environmental Engineer

Enclosure: Two (2) copies of final RCRA Facility Investigation Workplan
